

THE GRANGE COMMUNITY CENTRE

The Grange Community Centre

ANNUAL REPORT 2022

The Grange Community Centre acknowledges the Bunurong people of the Kulin Nation as the Traditional Custodians of the land on which we work and live in Wyndham.

We pay our respects to Elders past, present and those of the future.

We also acknowledge all the Traditional Owners of Country throughout Australia and recognise all First Nation peoples continued culture and spiritual connection to land, sky and waterways that surround us. We pay respect to the ongoing living cultures of First People. This land is, was and always will be Aboriginal Land.

FROM THE EXECUTIVE OFFICER

MARIA HANSON

The past year has been a year of growth and new development at The Grange Community Centre (GCC). Thanks to the commitment and strong dedication of the Board of Governance and the power packed staffing team GCC has seen a year of amazing growth, achievement, results and lots of excitement.

Our first major achievement was finalising the staffing team restructure, this led to the employment of Lisa in the role of Operations Manager. Lisa is our financial guru, aside from being our financial guru, Lisa brings so many other talents and skills to the role, including but not limited to very logical thinking and problem solving and being highly organised.

Madeleine our Administration Team Leader achieved major growth in her role and responsibilities during 2022, as she continued to demonstrate great skills and abilities to complete many new and varied tasks. This led to a major review of her position description to include many new responsibilities which in turn eased my workload. I am forever grateful for your many talents and skills. Our social media exposure has also exploded since Madeleine took over this responsibility. We wish Madeleine all the best as she enters the world of motherhood in 2023.

With the departure of our Community Development Manager, we were very fortunate to employ Vanessa in the role of Community Development Team Leader in August. Vanessa made it her mission to build strong relationships with our groups and build the programs offered at GCC. This has led to major activation and participation in existing and new programs.

Our Children's Services Manager Estelle not only managed to complete her day to day tasks, but she also led us through the process of updating and publishing our Reconciliation Action Plan to include not only Children's Services but outcomes for the wider community. Through this process and with the support of our Chairperson, Sharon, we have greater knowledge and connections with First Nation peoples. I am very happy to inform you that we have entered a partnership agreement with Koling wada-ngal which will see us moving into the new year working and supporting each other.

This provides us with a wonderful opportunity to learn more about cultural protocols and practices in order to create a culturally safe and inclusive service. If this wasn't an achievement in itself, Estelle also worked tirelessly to set up our new 3 year old Kindergarten program for 2023.

A new team is always a great opportunity to review processes and procedures. We left no stone unturned in this area in our aim to streamline and make our procedures efficient, so we could spend more time working with our community and families.

I hope you have all managed to see our star to fame video promoting GCC, along with all the other Community Centre's in Wyndham. This video highlights how different each Community Centre is, despite us all working for similar outcomes. A special thank you to Wyndham City Council for initiating and funding this project to showcase Wyndham Community Centres. Another special thanks to our star treasurer, Marlon for participating in the video on behalf of GCC. The video is available on our website in case you missed it on our social media.

I would like to applaud our Children's Services educators. You cease to amaze me with your dedication and commitment to all of the families and children who attend our programs. GCC's reputation continues to grow in this area due to your commitment. Your level of professionalism, willingness to learn and adapt and your warm and caring relationships with our families continues to shine. You know you are all stars in my eyes!

As the Executive Officer at GCC I am fortunate to work very closely with the Board of Governance. We have been on a very big roller coaster ride this year forging the path forward for bigger and greater things at GCC. I could not imagine a greater group of people to take this ride with. Thank you does not express my gratitude for your commitment, dedication and support. I can't wait to see where the new year takes us!

I am looking forward to what 2023 will bring for us as we strive to continue to build and strengthen our presence in our community. I look forward to continuing to work collaboratively with the Board of Governance, our Staff Team, Wyndham City Council, The Grange Kindergarten, Network West, the Grange P-12 College and Koling wada-ngal and all other funding partners to make 2023 another successful and fulfilling year.

FROM THE CHAIRPERSON

SHARON BROWN

Welcome to the Grange Community Centre Inc. AGM on 8th February 2023.

As I sit and reminisce, 2022 was another excellent year for us. We hit some key milestones and turned a team of 10 members into a team of 14. We'd like you to join us in welcoming new starters Lisa Brown and Vanessa Fairchild to our Administration team, Justin Carreon and Dominic Viola to our Children's Services team and thank them all for their contributions so far. We also said goodbye to Mary Francis and Helen Ball this year who, we can all agree, had a big impact during their time here.

The Grange is fortunate to have a committed and talented Board of Governance and I take this opportunity to offer a tremendous thank you for all the time and dedication you have shown me in your tireless efforts to continue to grow The Grange into an even more amazing Community Centre.

The Grange wouldn't be anything without its' staff, your dedication and love for The Grange has amazed me and all your hard work has brought us to where we are today. Thank you for everything you do, your dedication, loyalty, hard work and diligence do not go unnoticed, you are all valued and appreciated more than you will ever know. Of course, I'd be remiss if I didn't make special mention of Maria Hanson, the glue that holds this amazing organisation together. Maria reached her 20 years of service throughout COVID – WOW! Throughout this time, you have motivated your employees while having to make the toughest of decisions. Through your support for your colleagues and leadership, you have been a true inspiration, we thank you.

Looking over 2022, some of my personal highlights from our activities this year include:

- Implementation of the new staffing structure, adding clear roles and delineation of duties.

- Collaboration with Council in developing the start of The Grange 3year old Kindergarten in 2023.

- Apply for and receiving various grants to enable us to continue to grow and reach out to our amazing community.

- Increasing our social media platform via Facebook and Twitter to further engage with and throughout Wyndham.

Endorsement of The Grange RAP by The Narragunnawali team.

- The signing of our Partnership Agreement with Kolling Wada-Ngal, which over the next few years will see some amazing outcomes for Wyndham's First Nations Peoples.

- The continued development of our Children Services programs which are increasingly sought by parents & carers as their preferred Wyndham children's service.

- Initial development of Board subcommittees to enhance the working collaboration across the organisation in the areas of finance; children's services; policy, procedure and governance; strategic and business planning; and risk management and OH&S.

DISC* training of Board and staff to further enhance our collaborative working relationship.

Financial literacy training developed and offered to all Board members by our

- Treasurer, CEO and Operations Manager, increasing our knowledge of our Governance requirements.

As always, we extend our gratitude to Wyndham City Council and the State Government's Department of Families, Fairness and Housing for their sponsorship and financial support, and their constant and continued support.

There are also some exciting plans that through valued community voice and consultation are in their early stages. One that will kick off early 2023 is the launch of the new Grange Strategic Plan, so this is to just wet your appetite as we look forward to sharing them with you soon.

Overall, thank you all for another excellent year. I look forward to continuing to break barriers with you all in 2023.

Regards, Sharon Brown

FROM THE TREASURER

MARLON ANONUEVO

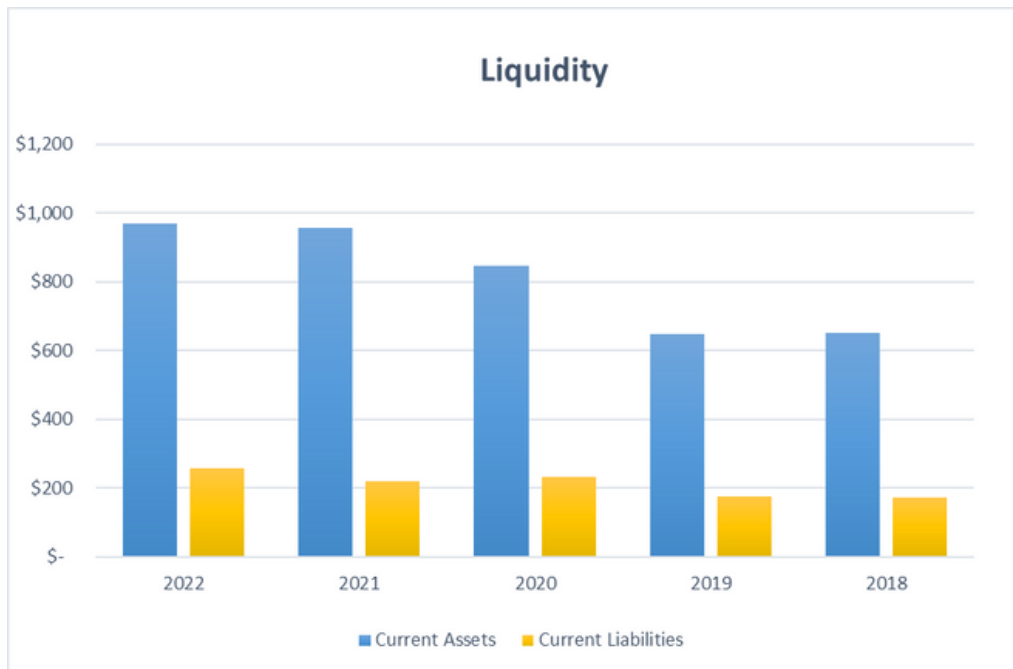

For the year ended December 2022 The Grange Community Centre had a Total Comprehensive Loss for the year of \$43K compared to the prior year Total Comprehensive Profit of \$132K. The results include the change in The Grange organisational structure, including the addition of the Operations Manager and Children's Services Manager.

Operational Income for the current year increased by \$155K, were 16% more than the 2021 due to higher OSHC revenue compare to 2021 (2022 \$1.1m vs 2021 \$1.0m). Also, rent collected for the current year increased to \$199K from \$107K due to higher number of hirers. This is an 86% higher than in prior year.

Operating costs at \$1.2M were 28% above prior year of \$0.9M, mainly driven by the new organisational structure implemented in 2022, additional excursions and incursions in 2022 due to covid rules easing.

The Grange continues to be in a strong financial position with cash balances of \$948K to cover the value of the total liabilities of \$266K. That is, in every \$1 of liability there is \$3.6 cash available to pay off all obligations.

I would like to thank our wonderful management and staff for all the things they have done during this difficult and demanding recovery period.

Finally, I would like to thank my colleagues on the Finance Committee and the Board for their work and support during the year.

Mr Marlon Anonuevo

3+ EARLY LEARNING PROGRAM

We had a wonderful start to 2022, it was so nice to see all our little friends back at the centre.

Term one saw us explore and investigate many interesting topics. As children settled quickly into the classroom, we were able to take a detailed look at Australian animals and habitats.

The children had opportunities to explore Australian animals in all aspects of learning. Through stories about these special animals and small world play, we have had Dingoes, Emus, Platypus, Koalas, Tassie Devils and native birds on our Nature Table as well as Australian animal puzzles, playdough mats and paint stamps!

During discussion about Australian Animals, we read (and re-read) 'Wombat Stew' as the children were particularly taken with Wombat Stew and we spent extended group time talking about the animals depicted and the fact that they were uniquely Australian. The ingredients for Wombat Stew were widely discussed and sourced by the children in the outdoor area, culminating in the opportunity to make our very own!

To extend children's learning, we then had a visit from some very special Australian animal friends in our own classroom!

As the seasons began to change, we began investigating the seasons of the year and encouraging children to observe the effect the change of seasons have on our surroundings. To mark the beginning of Autumn, we had a visit from a friend at Bunnings who helped us cultivate an Autumn veggie garden, children learned about the requirements of plants to grow and continue to maintain the thriving garden in preparation for our veggie soup cook up!

3+ EARLY LEARNING PROGRAM

We then began to touch on habitats, what do animals need? Where do they live and why? What surrounds us in our habitat? One of our educators found a mantis and we gave it its own habitat for observation before releasing back into its Natural habitat.

During the term, we noticed an influx of ladybugs around our garden, we also discovered some interesting little bugs in our tree outside we hadn't seen before, which were enthusiastically welcomed by all children!

The large tree trunk outside in our playground was covered in small black bugs. The children and educators were very curious as to what type of bugs they were as they hadn't seen them here before. The educators and children did some investigating and discovered that these black bugs were in fact called 'Lava', which are ladybugs.

The children and educators did some further research and began to learn about the lifecycle of a ladybug. They learnt that there are four stages in the lifecycle of the ladybug. The first one being the eggs, the second one being lava, the third being pupa and the fourth being the ladybug.

The children were fascinated by this discovery and would go over to the tree to check to see if the lava had changed into the ladybugs.

The children loved letting the ladybugs crawl onto their hands and clothing and showed great care and empathy towards them.

We then brought some into our environment to further investigate their growth and changes.

We concluded the end of year by inviting all of our families in for a little end of year party. It was a wonderful end to what was a fabulous year. We wish all of our little friends the best of luck in 4 Year Old Kindergarten and school in 2023.

OUT OF SCHOOL HOURS PROGRAM

It's not JUST DANCE! Its lots of FUN!

One of the most popular activities in OSHC during term 1 was to dance in the morning and afternoon. They have a repertoire of dances/songs they like to sing and dance to that they load up on the big screen, and off they go!

Over term 1, the children enjoyed building many Marble Runs. The children constructed, created and played with countless tracks and ideas, working in teams and individually.

During the term the OSHC children participated in 45-minute Karate sessions with Alex from Hoppers Crossing Karate. Children learnt the fundamentals of Karate, including basic self-defense.

Our community centre partnered with Wyndham Council 4-year-old kinder to take part in the National Reconciliation Week Sea of Hearts challenge leading up to National Reconciliation Week.

The children decorated and wrote messages describing their own pledges and vision for reconciliation on the hearts. Filling our entry hallway wall.

Families were also invited to take a heart home to create together as a family and return to the service. The whole service displayed all the hearts together in the community centre foyer.

The children learnt about the different ways each of them show their emotions and learnt tools to self-regulate as well as support each other in regulation. Learning about emotions helped us all understand ourselves on a deeper level.

One of our students shared some anime hand signs that are performed in his favourite show, as a tool to help the character regain his sense of peace! This poster sits in our room for our children to seek out when they want to regain their inner peace.

Our community is made up of many different ethnicities and cultural backgrounds. Our children love to acknowledge and celebrate this through the music we listen to, the food we eat and through learning and practicing traditions together.

The children have an in-depth understanding about the reason behind the words we recite, when performing our Acknowledgment of Country. To represent the connection our indigenous communities have to nature, the children represented the colours of the Aboriginal flag by wrapping red, black and yellow twine around one of our trees.

Cultural celebrations give us the opportunity to introduce a range of cuisines to our taste buds. The children enjoy trying new food as much as they love trying new methods of eating, we already have some chopstick experts in the program!

This year the children were introduced to documentaries in another language, following along with the subtitles they learnt about the independence of children in Japan as they perform chores as part of their initiation into the big world!

COMMUNITY DEVELOPMENT

We are very proud here at The Grange Community Centre to offer programs, workshops and events that are specially designed for the needs of the community.

With a jam-packed calendar for 2023 we are excited to continue to offer a bigger range of workshops and events. These include health and wellbeing, arts and crafts, informative and social games.

Looking for a place to meet new people or a place to meet with old friends? Look no further, our community café is open to enjoy a chat and a cuppa.

Term 4 of 2022 we held two very successful events, Seniors Week morning tea and Christmas Luncheon. Both included entertainment, singing, dancing and delicious catering. We look forward to another year hosting similar events and more.

Extending into our Community Centre are our wonderful community partners delivering their own specialised programs. The space we offer our partners are clean and welcoming, allowing a stress-free approach to their participants.

If you would like to find out more about anything we offer or something you would like to bring to our community please don't hesitate to contact The Grange Community Centre.

Carolyn Porter – Wyndham TOWN Club
Kristie Wells – OSHC Family

3. *Confirmation of Minutes of Previous AGM - 24/02/2021*

Moved: Priscilla Mayne

Seconded: Marlon Anonuevo

4. *Treasurers Report – Marlon Anonuevo*

Treasurer's report tabled in 2021 Annual report. GCC has had positive financial

- performance during 2021 and is in a good financial position going into 2022.

For the year ending December 2021 GCC recorded a 132K surplus compared to \$164k the previous year. Government subsidies and grants received during 2021 account for the difference.

Operating income increased by 40% (\$277K). Despite Covid still being prevalent in the community, GCC performed well.

GCC has cash balances \$954K to cover the value of the total liabilities of \$221K. That is ratio of \$1: \$4.30 in current assets to pay off all obligations.

Marlon acknowledged the work of Maria and staff during the year. He also thanked the Board for their work and support.

Motion accepted and adopted.

Vicky thanked Marlon for work during the year.

Marlon always presented thorough and clear reports.

5. *Appoint Auditor for the next financial year: Jan-Dec 2022*

Motion to appoint Collins & Co Audit Pty Ltd for next financial year Jan – Dec 2022

Moved: Nusrat Islam

Seconded: Sunil Singh

6. *Manager's Report – Maria Hanson*

Thanked AGM attendees.

Report tabled AGM Booklet

This year GCC welcomed people back to the building. There have been changes to user groups having lost some groups but gained others. Great variety of programs on offer. Acknowledge efforts Karen and Linda who have since moved on. GCC welcomed Mary and Maddie to staff.

GCC has completed restructure over past 12-18 months. Children Services

- Manager, Estelle has been recruited and during her time has implemented great things in program.

Children services programs continued to thrive. OSHC currently has waiting list.

There is a thrive and buzz in 3+ ELP and all are happy to be back.

Board had provided amazing support and commitment to the GCC. Maria

- acknowledged Vicky and Donna who are leaving and welcomed new Board members.

Thanks to team who make Grange what it is. The team is always willing to take on new challenges with grace and show passion to the vision of GCC and teamwork.

7. *Chairpersons Report – Vicky Stevens*

Thanked staff, educators, and admin staff. Admits how tough it has been past

- few years, with fast moving restrictions and protocols they have had to deal with. Managed as a team working together collaborative effort. Vicky stated they should be proud of selves for their work.

Vicky stated that she see potential in Children programs and community engagement. She looks forward to seeing how this will evolve

Vicky reflected on her time as centre user then as a board member. Paid homage to Marilyn Slattery who encouraged her to join Board and her support as secretary. Summed up 9 years enormous learning journey and self-

discovery. It has been a big part of life. Has had to make connections. Faced challenges to get Board to where is now.

Acknowledged Board and past members who have taken part. In 2021 majority of meeting were still on zoom. Welcomed Sunil and Nusrat to Board in 2021.

Noted that there was work to do despite restrictions and Board were able to focus on this.

Marlon as Treasurer is hard working. Great working knowledge and experience shone through his work. Exceptional analysis and forecast.

- Maria and Priscilla tasked with restructure who did a fantastic job. NHVic was third party also assisted. They were able to fulfill 2 important roles to support centre manager.

- Strategic plan expired, and with Mary's assistance GCC was able to develop new Strategic Plan with staff and Board attending full day workshop to brainstorm ideas. Potential to move forward. Board to take this to next level.

Great to welcome Children services and community back to GCC.

Acknowledged they are not at pre-Covid levels but building towards.

Thanked Donna for her work and support as Public officer

Vicky leaving achievements proud of legacy left behind.

- Thank current and previous board for allowing to take on role. Board is evolving
- and hope to continue. Thanked WCC Building Blocks program as this helped to find board members and has expanded skillset over the past few years.

Thanked WCC for establishing Neighbourhood Hub, really zeroed in on

- community managed centres. Working with team was fantastic to pinpoint what to work on and where to move to next.

Vicky highlighted the passion staff display when interacting with children, talking about program, is why GCC children service has reputation it has

Maria H grateful for support hand holding to get to where we are now.

Priscilla thanked Vicky for stewardship in board life. Wished best in future endeavors

Certificates of Appreciation given to 2021 Board members

- 8. *Address by Returning Officer – Sandy Joffe, Network Coordinator, Network West*
Congratulations to outgoing members Donna and Vicky. Enormous change at GCC under Vicky's leadership. Happy to see new Board members ready to move in. Great achievement. Congratulations to Maria and staff. Maria pirouetted rather than pivoted during all the changes with COVID policies and restrictions. Acknowledged remarkable led team who has lovely harmonious relationship with Board. Congrats. GCC's financial stability is amazing. May go strength to strength.

9. *Election of positions declared vacant conducted by Returning Officer:*

10. *Call for Nominations*

- Election of Board of Governance 2022
- Chairperson – No nominations. Constitution checked by Maria and Vicky. Vice chair can step into role until resolved
- Vice Chairperson- 1 nomination received. Maria Law elected unopposed
- Treasurer second 1 nomination received. Marlon Anonuevo elected unopposed •
- Public Officer- 1 nomination received. Priscilla Mayne elected unopposed
- General Members

Michael Hillier

Nusrat Islam

Sunil Singh

Sharon Brown

Donna Goetz

Shayla Zaman

Vicky thanked Sandy Joffe. Outgoing Chair congratulated new board.

12. *Address by new BoG Chairperson for 2022*

As no Chairperson was elected and Vice Chair was an apology, the address was made by Priscilla. Maria Law is acting chair until resolved. Thanked incoming Board of Governance. New year will present an exciting time ahead. Wished the new Board well. Looking forward to working together

Thanks to Mary for preparing the AGM booklet. Thanks to Maddie, Maria, Mary for help in preparation of AGM. Thank you for all attending.

Announce Induction date for new BoG – 23/3/22 at 7.30pm
